Grand Centennial concert at the Taylor street church. To-night.

Those Centennial mementoes manufactured by L. C. Henrichsen, are the most tasty badges for the jubilee week that are out. Being of their own make we would advise every one to procure one before it is too late as a token of the event we celebrate.

Mark Bell, formerly steward on the *Oneonta* will give a Centennial Lunch at the corner of Second and Washington streets, daily, commencing to-day. Mark can get up a meal you will like. We've tried 'em, and know.

The best *musical talent* of the State will be presented at the Taylor street church to-night.

A fac-simile of the original "Liberty Bell," beautifully decorated, is to be seen at Plunder's Drug Store, New Market Theater block. The above was purchased in Philadelphia direct, at the Centennial Exposition.

The singers of this Concert will wear Centential costume.

Ho! ye Centennial smokers and chewers, If ye want ye best article of ye weed to be found in ye city of Portland call on ye "Mercer's" cigar and tobacco establishment under ye Ore Fino Theatre, First street. N. B.—Imported goods a specialty.

The newly enlarged auditorium will accommodate nearly a thousand people, and it will be crowded to-night.

HAIR RESTORED.

If any who are skeptical of the ability of Mrs. S. Lord to produce a crop of new hair in all stages of baldness, will call or write to her at her rooms in National Bank building, Portland, she will refer them to several prominent Portland gentlemen who three months since placed themselves under her treatment and are now in possession of a crop of new fine hair which is rapidly increasing in strength and vigor. Itching of the scalp and falling hair checked readily. Preparations sent to all parts of Oregon and Washington.

According to the judgment of a New Milford man, who had seven men to assist him to his feet, "The hind end of a mule is much more persuasive than the front end." The most premature end of a woman is her tongue's end when she hears the "old man" has again forgotten to stop and order that new suit at Jos. Kohn's Emporium.

A LETTER

From Mr. J. M. Bacon, P. M. at Oregon City, dated June 28th and 30th, 1876, was handed to us to-day by Dr. Wightman, for the BENEFIT OF SUFFERING HUMANITY.

OREGON CITY, June 28, 1876.

DR. WIGHTMAN—*Dear Sir:* Since using your "*Process*" I have been entirely free from the PILES, and with the exception of two or three times, I have never felt any symptoms of it, *then it was entirely my own fault.* I have received quite a number of letters like the one enclosed, which I have always answered. The people are well acquainted with me and believe what I say in regard to cure, and I gladly recommend the WIGHTMAN PROCESS to them.

Yours truly, J. M. BACON.

OREGON CITY, June 30, 1876.

DR. C. F. WIGHTMAN—*Dear Sir:* You are at perfect liberty to use my letters or name in any way you may think proper for the purpose of giving relief to SUFFERING HUMANITY, for God knows I have had reason to feel thankful for the great good your VALUABLE REMEDY has been to me. Yours truly, J. M. BACON.

The above letters can be seen by any one interested at my rooms, west side of Third street, between Washington and Alder, near Masonic Hall. The WIGHTMAN PROCESS for the cure of HEMORRHOIDS or PILES can be sent by express to parties at a distance C. O. D. letters enclosing stamp will be promptly answered. P.O. box 241, Portland, Oregon. Dr. C.F. WIGHTMAN, N. B. In writing give name of postoffice, county and State.

Have your feet repaired by Dr. Halpruner at the Centennial.

HAGAN'S MAGNOLIA BALM, preserves and restores the complexion; removes freckles, tan and sallowness; makes the skin soft, white and delicate. It application cannot be detected.

LYON'S KATHAIRON makes a beautiful, glossy luxuriant hair; prevents its falling out or turning gray. It has stood the test of 40 years. Is charmingly perfumed, and has no rival.

A gentleman afflicted with the chronic rheumatism says, "No description of my case can convey the vast amount of relief I have received from the use of *Johnson's Anodyne Liniment*. I believe it is the best article in the world for rheumatism."

If a horse has a good constitution and has once been a good horse, no matter how old or how much run down he may be, he can be greatly improved, and in many experts made as good as new, by a liberal use of *Sheridan's Cavalry Condition Powders.*

Nature Gives us Teeth.

But she does not preserve and purify them. That must be done by fragrant SOZODONT. The dental bone and its enamel coating are made invulnerable to all destructive influences by the daily use of this beneficent preparation.

FIRE!—At a recent fire in a tenement house in New York several persons were very seriously burned—one or two almost to death. The only prompt and effectual relief obtained was by the free use of Pond's Extract, which proved in this case, as in hundreds of others of low severity, a specific. The two who were thought to be fatally burned are almost entirely recovered, and almost free from even any marks. Children who are always blundering into accidents, and are fortunate enough to have tried Pond's Extract, instantly run for the bottle for every bruise, burn, cut, etc., etc. There is no household remedy so easy of application, and so effectual. Keep a quart bottle in your house.

WE ARE NOW RECEIVING A LARGE NUMber of orders for these Dryers. We manufacture six different sizes of the Circular kind and two of the new Upright kind, patented Jan. 18, 1876. For $200 we guarantee to dry one fourth as much work as a $2 000 Alden Dryer, and for $600 we guarantee to do as much as any Alden Dryer in the state. We also guarantee to do as good work as the Alden, as our Fruit has been thoroughly tested and pronounced No. 1, selling readily in this market at as good figures as the Alden. Now, if you let your fruit rot this year it is your own fault, as the price is within the reach of all.

Send in your orders early, as the season is upon us, and we will soon have the golden harvest and rebuke this Alden monopoly, and buy Dryers ... where you can see the parties who manufacture them.

WEDNESDAY MORNING, JULY 5, 1876

EASTERN NEWS.

Tremendous Display and Magnificent Display in New York.

NEW YORK, July 4—Midnight—As the clock struck twelve this morning cannon were fired by boats in the harbor, bells rung, whistles shrieked, while the steam whistles on the tugs and factories added to the din. When with the above and the cheers of the people, together with the grand explosions of fire works, the rockets bursting and shells in the air. Never in the memory of the oldest inhabitants have the streets presented such a magnificent appearance. For miles thousands of good natured people were packed together on the streets witnessing the final display of fire works. The scene was grand, description would convey only an idea of the picture.

Union square from 10 o'clock until morning presented an imposing appearance and the whole scene impressed with a long remembered. Nothing could be grander more imposing or splendid. The exact hour at which the advanced guard of the monster procession marched into the square was the signal for the rockets surrounding pieces with the deafening applause of at least 50,000. Every building around the square is appropriately illuminated, save the old and stately mansion of Dan Drew which stood out in ghostly proportions on the merry and enlivened scene. About 9 o'clock the square was cleared out by the police—even the lieutenant and the park police officers. In each the united efforts of all combined to keep back the surging masses of human beings from the line laid down. Broadway and Fourth Avenue are packed and Fourteenth street a altogether impassable. Many and variegated lanterns, splendid devices in gas jets rockets, lights and other illuminations form a scene of oriental magnificence. It is noticed that the poorer portion of the city were most handsomely illuminated and decorated with flowers. Some of the avenues in that direction had equipped Broadway with side streets in beauty.

Centennial Parade of the Grand Army.

PHILADELPHIA, July 5—The centennial parade of the Grand Army of the Republic took place this morning, not less than 5,000 being in line. Detachments from many of the Southern and Eastern states participated. The city is handsomely decorated in holiday garb and the streets are crowded with visitors.

Thousands are flocking to town in multitudes. The Centennial parade of the Grand Army of the Republic, which took place this morning, was one of the most imposing demonstrations attended here for some time. About 5,000 were in line, including veterans from all parts of the country. The posts all carried tattered and worn battle flags, carried by them in the late war. These were greeted with cheers all along the line of march.

Grand Illumination and Torchlight Procession.

An immense torchlight procession took place last night. The route was several miles long. Thousands of spectators crowded Broad street alone, estimated at half a million. What added greatly to the effect were the illuminations and festooned arches, which has not been seen in public since the reception of Lafayette in 1824. Among the distinguished participants were Governors Hayes and Hartranft, Dom Pedro, Count Rochambeau, Minister Thornton and others. The procession was considerably delayed and it was not until after midnight that the head of the line reached Independence Hall. Here men helped to swell the seas of humanity that gathered about the grand old hall. The entire vicinity was bright as day, and amidst the bursting of pyrotechnics, the new liberty bell pealed forth in joyous tones; but soon all was drowned in the noise of thousands of cheers and salutes of artillery and the buzzes that arose from every point of the compass were perfectly deafening.

MONTGOMERY, Ala., July 3—The mayor has sent the following dispatch to Gen. Hawley, president of the Centennial committee at Philadelphia: The people of Montgomery, birthplace of the Confederacy, through its City Council, present cordial and fraternal feeling to all people, with the earnest prayer for perpetuation of concord and brotherly feeling throughout our land.

L. L. MOSES, Mayor.

Death of Gen. Lefferts.

NEW YORK, July 3—Gen. Marshall Lefferts, long and prominently identified with the Western Union Telegraph, and lately of the Gold and Stock Telegraph Co., died this morning on his way to Philadelphia.

NEWARK, July 3—Gen. Lefferts died instantly of heart disease on of the train from New York to Philadelphia. His death occurred just as the train was coming into Newark. The whole regiment turned back and are at the depot, where the body awaits the train for New York. He was seen in Broadway to fall out of line, and it was remarked when he took the cars at Jersey City that he looked like death.

Merrill Accepts.

NEW YORK, July 3—The Brooklyn *Eagle's* special says Merrill accepts the Treasury, beginning on Wednesday.

BAY VIEW HOUSE,

BAKER'S BAY, CNTY., W. T.

MR. DEXTER INFORMS THE PUBLIC that his House is now open for the reception of guests. Its advantages in every respect to it any other Summer Resort are too well known to Oregonians to repeat here. To strangers I will say that the place is in plain sight and across the Bay from Astoria, on the sheltered side of Cape Hancock, and very near and adjacent to the Portland Lighthouse, on Baker's Bay, a beautiful sheet of water, unequaled for Sailing, Rowing, Fishing and Bathing. The dark forest, with its picturesque drives, its mountain springs, profusion of wild berries, wild flowers and ferns, the horse trail to the Cape for Equestrians or walkers, is one of the most delightful Panoramas to the eye ever witnessed. The rosy beaches, its waves, luxuriantly wooded Island its vicinity Astoria, Chinook, Fort Stevens, moist old Tillamook, in the blue distance.

The courteous hospitality of the officers of the Garrison at the Fort, and also of Mr Munson and family, of the Lighthouse, make that place well worthy of a visit.

The Salt Water Bathing in the bay within a few feet of the hotel, excels anything far or near, for warmth of the water and mildness of its waves far preferable to the heavy surf and cold winds for women, children and invalids while the sturdy swimmer or those who love the foaming surf, in a few minutes walk will find a beach unsurpassed in beauty, hard and level for one continuous drive of thirty miles. At this end are huge rocks stretching out into the ocean, from which fishers take from the sea Bass, Rockfish, Tom Cod, Pergies, etc., etc. Crabs, Clams Oysters, &c., in abundance, (and the Table will never lack a sufficiency of those desirable adjuncts.) Rides upon the Bay, Saddle Ponies for the children, Teams to the Weather Beach, Croquet, Swings, Quoits etc. FREE to Guests.

Prices reduced from the old tariff.

To those who would like to camp out, wood and water and use of ground free. Groceries provisions milk eggs butter, etc. for sale at a small profit. Campers can board at the Hotel if they prefer, at fair rates. A large Livery Stable two new and fine Ten Pin Alleys attached in the place.

Stage Office to Oysterville, Postoffice, Wells Fargo & Co's office also there. No raw winds or damp fogs and more beautiful beaches and shady groves cannot be found. The only regret the Landlord has, is that his house is not larger; but his grounds are large enough and beautiful enough to warrant next season a Hotel worthy of the surroundings.

C. H. DEXTER, Proprietor.
